OFFICE OF LEGISLATIVE COUNSEL

Monday - 11 April 1960

25X1 1. [] - GLC) John Lehman, Clerk of the Joint Economic Committee, called to say that Chairman Dilling has not made a decision as to how to handle the material which we prepared on foreign comment on the Committee's hearings on the Comparisons of U.S. and Soviet Economies. They will be in touch with us on this in the near future.

25X1 2. [] - GLC) Talked with David Martin, in the office of Senator Thomas J. Dodd (D., Conn.), concerning his request for information on evidences of discontent in the USSR and Bloc countries. [] will attempt to provide some written material on this subject.

25X1 3. [] - GLC) [] Security Office, called to advise that Frank Damon and Kenneth Nakamura, members of the staff of Senator Hiram L. Fong (R., Hawaii), have been granted SECRET clearances by the Department of Defense and interim TOP SECRET clearances.

25X1 4. [] - GLC) Mr. William McManus, of the Senate Internal Security Subcommittee staff, called and indicated that in his conversations with Mr. Sourwine concerning the amendments to the Espionage Act (see JOURNAL of Friday - 8 April) it had been decided to have the Senate Judiciary Committee report H. R. 1992 along with the omnibus committee bill (S. 2652). If both of these measures are passed and signed by the President, they would have the effect of expanding the scope of the Act and establish the jurisdiction of the courts to try cases involving alleged violations of the Act.

25X1 [] - GLC) Mr. McManus was advised that we had reviewed his draft bill which followed the language of the Executive Order on the Industrial Security Program and have no objection to it as written.
